

FOGO DE CHÃO

An Exceptional Dining Experience

We are chefs born into the centuries-old Southern Brazilian grilling tradition of churrasco. Our culinary heritage lives on in the secrets of perfectly grilled meats, the sophistication of the Market Table and the artistry of a well-made caipirinha cocktail.

We invite you and your guests to live a little more, forget everyday stresses and steal a few moments back for the sake of uncommon experiences.

With several distinctive group and private dining options, we can help you create an exceptional event from a small hosted meeting to a large reception.

- ◆ **Single Point of Contact** - Our Sales Manager is available to answer questions and help plan your next group meeting, party or special event.
- ◆ **Large Flexible Space** - Beautiful private and semi-private dining rooms designed to meet your specific needs for 15 guests or more up to exciting full restaurant buyouts.
- ◆ **Instant Service** - No waiting for the server to take your order. Your group can enjoy immediate service from the moment they are seated.
- ◆ **Group Capacities** - Main Dining seating is available for groups that want to be part of the restaurant excitement, and private rooms for those guests who want to focus on the business at hand. Our space can be customized to suit your needs.
- ◆ **Special Dining Needs** - Our extensive selections will delight guests looking for gourmet vegan, vegetarian and gluten free dining, and allow the host to relax and enjoy the event knowing their guests are happy.
- ◆ **Audio-Visual** - We offer complimentary audio-visual equipment, including microphone, speaker, projector and screens in our beautiful private rooms.
